

**Alliance Filaments Limited**

Live the **COMFORT**

Producing quality yarn for quality fabrics

#### ABOUT US

**Growth.** Alliance Filaments Limited is a leading provider of Polyester Yarn and today it has secured a strong position in the world of textile. It was established in 2010 and within such a short time, it has touched reasonably great heights in the domestic market ensuring excellence in quality.

#### VISION & MISSION

**Excellence.** We aim at excellence and believe success will follow. Our vision is to be the premier provider of textile products and services. We believe trust is the biggest element in any business and we proudly enjoy this element from our valued customers and business associations. Our mission is to serve our valued customers with best of our products and services by focusing on our core strengths.

#### MANAGEMENT

**Strong Pillars.** With the best managerial and technical know-how, we have successfully achieved and maintained the quality standards of our offerings. Professionalism, Trust, and Transparency have served as the main pillars of our undertaking.

# PEACE of mind

That's exactly how our customers feel working with us

## GLOBAL VISION

**Global Market.** Opportunities have no boundaries. One step at a time is what we believe in. Now that we enjoy strong presence and firm hold on the domestic market, we would like to explore the business opportunities globally with potential expansion.

## QUALITY ASSURANCE

**Precision.** Success has many flavours but it comes with constant improvement. Our QA team keeps constant tab on our product line and ensures detailed level of accuracy in quality.

## INFRASTRUCTURE

**Delivering Value.** With the strong R&D and robust production technology, Alliance has exceeded customer satisfaction and quality standards. Our employees are the biggest assets of our undertaking. Providing healthy and friendly work environment is the key to productive outcomes. We proudly own this key.
